Subject: RE: Rover Pipeline scoping (12-16-2014) draft letter for your review/changes/approval
CORRECTION

Virginia, thank you for forwarding the draft letter and for your voice mail. Tom is looking over the draft, and his immediate reaction was you were very comprehensive. I suspect you may get more direction from HQ than us, but I have asked Tom to provide any feedback by tomorrow. We will be in touch and again, thank you for coordinating with R3.

Justin and Barbara

Sorry this is a bit late. Please see attached file for the draft letter for your review. Please email me your changes/approval before the FERC due date of 12/28/2014.

Thank you,

Virginia Laszewski
